Perfect for:
Friends
& family,
workplace
groups

Play virtual Stand Up for Kids BINGO to raise important funds to help provide supports and resources to children and youth involved in child welfare across Canada.

Join the fun and make a difference! Use our customized bingo scorecard and a personalized donation page to fundraise your way to "BINGO". Play for a "line", two "lines" or even a full scorecard of donations, to raise over \$1,000!

STEP 1: Challenge your friends, family, and colleagues. Choose a fun prize (or ability to claim bragging rights!) for the first player to get BINGO. Our favourite idea: winner gets treated to a delivered lunch by the group!

STEP 2: Set up your online donation page.
Get started at: cafdn.org/bingo

STEP 3: Ask your network to support by making a donation to help you get BINGO.

Or play
solo!
Fundraise
your way to
BINGO

FUNDRAISING TIPS:

- Using email: Print the pdf scorecard, mark it up, take a photo, and email it to friends asking for their support (include a link to your donation page)
- Using social media: Post the jpg scorecard to your Instagram and Facebook Stories, marking it up with emojis or stickers, and ask your followers for their support (add the link to your donation page in your bio)

Tag us [@cafdn](https://twitter.com/cafdn) and use [#StandUpforKidsCanada](https://twitter.com/StandUpforKidsCanada) so we can celebrate and share your efforts! As you receive more donations, mark them off on your bingo scorecard, and re-post or send another email!

STEP 4: When you get BINGO, let your teammates know and thank the supporters who donated towards your fundraising efforts.

(Donors of \$10 or more will receive a tax receipt.)

For fundraising support, contact Jess at jbrayne@cafdn.org
